PERSONAL IDENTIFICATION NUMBER (PIN)

Each individual who is to have access to West Plains Bank Online Banking must designate a 4-digit Personal Identification Number (PIN). Once you have logged on, the software will allow you to establish your 6-character online password.

IMPORTANT NOTE: If you currently use Telebank, you must use the same 4-digit PIN for first-time access to online banking. Once you have logged on, the software will allow you to establish your online password.

To select your PIN, enter four numbers below. This number is the key to the security of your accounts. Once entered into our system, it is unavailable to anyone. If you require assistance, please contact us at: (402) 387-2381 or simply stop in for a demonstration.
